Friday 2nd October

2.15pm

**St George's
Infant School**

Join us for our first family liaison event of the year. We will introduce the Family Liaison team and share how we support children at St George's through our nurture-based approach. It will also be a great opportunity to meet other parents and carers, ask questions, and share anything you would like us to know.

What to expect

- An introduction to family liaison
- How our nurture-based approach supports children
- Ways we can support families
- Time to meet other parents and carers
- A chance to ask questions and share ideas

All parents and carers are welcome to attend.
